

First, Watch the tutorial that appears after pressing Create.

Then select Tutorials

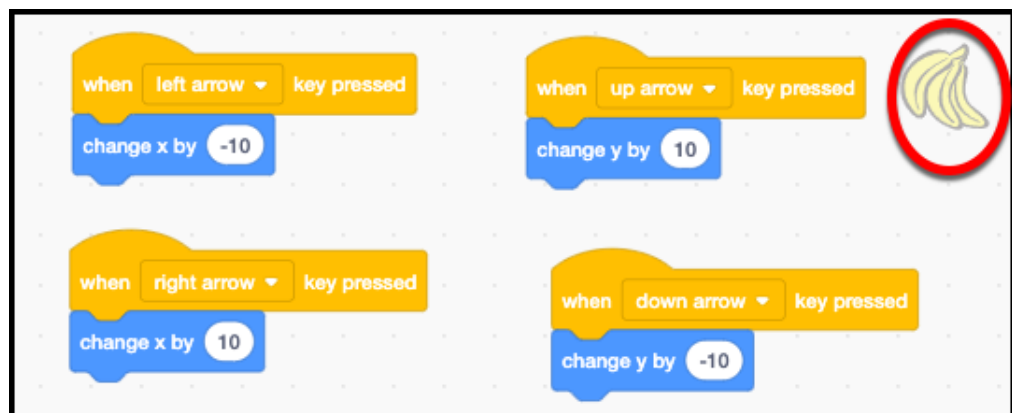

and from there Games, then Make a Chase Game
Then, Watch the Tutorial, then do it yourself, as follows:

1. Choose 2 Sprites – one for thing to chase, one for chaser.

2. Make the chaser move x, y in 10 units in response to arrow keys.

3. Make the thing-to-chase, when Flag clicked, Forever, glide to random place for 1 second.
4. Make the thing-to-chase, when Flag clicked, Forever, if touching the chaser, play a sound until done.
